STONES OF HOPE: A TESTAMENT OF COMMUNITY **9AM-7PM** MSSC GALLERY

Reverend Dr. Martin Luther King Jr. played a pivotal role in shaping the Civil Rights Movement. His tireless work and advocacy were instrumental in making the landmark 1964 Civil Rights Act a reality. However, Dr. King's rise to prominence was not a solitary journey, as the success of the Civil Rights Movement relied on numerous lesser-known individuals whose contributions often go overlooked. Throughout January, we invite you to explore the MSSC's Gallery to discover more about these unsung heroes, whom we fondly refer to as "Stones of Hope." Available January 16-31
